## **Prefer to join us as a 20/20 Vision Table Patron?**

Our 20/20 Vision Patrons are philanthropic individuals who support by purchasing a table for 8 guests. Cost is \$2,020.

**Dinner in the Dark is our primary fundraiser for the year. This event is a true culinary adventure! You will enjoy a gourmet dinner while wearing a blindfold, and we keep the menu secret.**

**Come learn about the exciting ways we are working to transform the lives of those without sight. Be prepared for a unique sensory adventure, good food, fun, and dancing to live music.**

"Dinner in the Dark is a remarkable event. As first-time attendees and sponsors of the event, we were blown away by how well-executed the entire evening was. Being immersed in a mere hour of life without sight gave us a deeper understanding and fresh perspective on the vital work being done by Hope in Focus and we are proud to support this important organization."

*Atsena Therapeutics*

"It has been our pleasure to support Dinner in the Dark from the beginning. Philanthropic businesses are essential to a nonprofit's success. A strong support base at home can open doors and help organizations like Hope in Focus reach their goals and spread their mission."
